Sivasangeetha D
B.Sc Computer Science

About Me

"As a BSc cs student at [Madras University], I am passionate about exploring the vast potential of Computer Science. With a strong foundation in programming languages like Python and Java, I have been actively involved in various CS-related projects and competitions. My skills in machine learning frameworks like TensorFlow and PyTorch have enabled me to develop innovative solutions to real-world problems. I aspire to work in CS research and development and am committed to staying updated with the latest advancements in the field. With strong problem-solving and analytical skills, I am confident in my ability to make a meaningful contribution to the CS community."
